

Bestselling Author, DiAnn Mills, to Release New Romantic Suspense Novel, *Canyon of Deceit*, this September

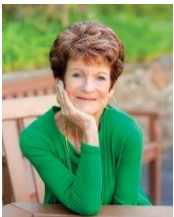

CAROL STREAM, IL. – A rescue team searches for a missing young girl and suspects all is not as it seems in the latest romantic suspense novel from DiAnn Mills.

When wilderness survival expert Therese Palmer gets a frantic call from former colleague Professor Rurik Ivanov, she's stunned to learn his daughter Alina is missing—and even more alarmed when he refuses to involve the police. With a child's life at stake, Therese turns to Texas Ranger Blane Gardner, whose crisis negotiation skills make him the ideal partner for the mission.

As they search Alina's last known location in the remote Guadalupe Mountains, Therese and Blane navigate misleading intel, growing danger, and their own deepening connection. With ties to Russian organized crime and a potential international assassination plot emerging, they must find Alina before she's lost to a deadly conspiracy—no matter the cost.
